3. It was moved by Michael Perkins seconded by Dana Wrigley and voted 4-0 that the Town will maintain ownership of the Old School House located at 97 Church Street. We will work diligently with the Historical Society to get the building painted. Periodic reports from the Historical Society will be provided to the Council, listing plans for the property. It was moved by Dana Wrigley seconded by Mark Fisher and voted 4-0 to terminate the current lease agreement between the town and Norman Vigue, signed July 5, 2013, as the items within the agreement have never been completed. Mr. Vigue had agreed to painting the metal roof and painting the exterior of the building in exchange for storing his hydro seeder and other landscaping business tools in the building. Mr. Vigue has never used the building for storage as he found the space was not large enough for his equipment. Everyone agreed that at this point and time the building needs a coat of paint.
